CAREER OBJECTIVES

To take a challenging role as Front End Web Developer in a highly technical company where I could utilize my skills in Web Design, Front-End Web Development, Software, and use these skills in providing quality service to the company.

ABOUT ME

I am a Front-End Developer, I am highly passionate and determined to give all my best towards my goals and career, always ready to take up new challenges and learn new skills. I am also very active in relation to teamwork and helping the organization achieving their goals and aims.

EDUCATION

• Grazac Academy, Abeokuta, Ogun State.   **April 2021**
Frontend Development

• Federal university of Agriculture, Abeokuta, Ogun State   **June 2014**
B, Agric (Animal Breeding and Genetics)
Upper Credit

PROJECTS

• Worked with a team to build a website for a financial firm and singlehandedly code the landing page and the sign up page. I achieved this using only HTML and CSS and it's responsive.

• Also implement another landing page while working with a team. The site was built using REACT.JS (a JavaScript Library) and it's also quite mobile responsive.

WORK EXPERIENCE

❖ Spaceet (Frontend Developer)   October 2021- till present

1. Work closely with design and development teams to create elegant, usable, responsive and interactive interfaces across multiple devices.
2. Turning UI/UX designs into prototypes, creating excellent interactions from designs, writing reusable content modules and maintainability of the code.
3. Implement UI development principles to ensure that the product client-side serves at scale.

INTERESTS

Educating people, reading and traveling.

SKILLS

• HTML

• CSS

• JAVASCRIPT

• REACT.JS
